

RISK MANAGEMENT SERVICES

GORDON
Advisors, P.C.
certified public accountants

Gordon Advisors, P.C. is one of Southeast Michigan's leading public accounting and business consulting firms. Respected and recognized for our expertise, we are committed to providing exceptional service to our clients.

Today's environment demands increased knowledge of the risks your company faces. For companies both large and small, whether enterprise wide or specific business, function, project or initiative, effectively assessing and managing risk can be the difference between success and failure.

Our **Risk Services** group exemplifies the firm's commitment to our clients by providing assistance with assessing and managing risks our clients face. Our comprehensive services are tailored to your needs providing you with the value of high level of expertise combined with exceptional service.

Using a multidisciplinary approach we take advantage of our breadth of industry knowledge and deep experience providing you with highly skilled professionals to assist your organization. You receive a high level of expertise and outstanding service model with the flexibility your organization requires.

We work closely with you to provide cost effective flexible services to assist you with your specific risk management needs allowing you to make better business decisions. Our experts can assist you to identify potential impacts, both of a negative and positive nature, on your business and help you manage potential impacts to ensure the best outcome.

Our **Risk Management Services** include:

- ◆ Risk identification and assessment.
- ◆ Implementation of a risk management process and identify where risk management fits with your existing business functions.
- ◆ Risk assessment process facilitation and training.
- ◆ Assistance with identifying solutions to mitigate identified risks.
- ◆ Corporate Governance assistance.

Risk management allows business to reduce risks and identify opportunities. Companies both large and small can not afford to ignore their risks.
